TRAVEL IN AMSTERDAM

TRAVEL CARDS WITHIN AMSTERDAM

An [Amsterdam Travel Ticket](#) will allow you unlimited travel on buses, trams, metro and ferries. You can also use the card to travel to and from Schiphol Airport. Choose a ticket for 1, 2 or 3 days.

Alternatively, 1-hour or 24-hour tickets can also be bought at metro stations or on board trams and buses, but you cannot pay in cash. These cannot be used on NS trains to and from Schiphol Airport. You can also check in and out of trams, metros and buses with a contactless card.

Remember, you have to both check in and check out on buses, trams and metro. To check-in and out on buses and trams, hold your card against the small scanner machine at the door.

TRAVEL TO AND FROM SCHIPHOL AIRPORT

Trains run to and from Schiphol Airport to Amsterdam Centraal regularly and take around 20 minutes. The NS train station is located directly below the airport terminal building. Check your platform, check in with your ticket, and take the escalator or lift downstairs to board the train. Check in scanners can be found at the top of each escalator.
